Auto Racing a Tame Sport Nowadays, Says De Palma, King of American Drivers

IN AUSTRIA BY WAR

GO TO BRILL BROTHER

# To Surprise the lord of the household-

SERVE him a dish of the newest food creation. NEW POST TO LET for breakfast tomorrow.

It may be he hasn't cared for corn flakes; and you, too, may share in that belief from experience with the old-style. paper-thin kind.

But these new flakes are different. They don't depend on sugar and cream for their flavor. And they don't mush down when cream or milk is added.

NEW POST TOASTIES are made by a wonderful new process which brings out the true corn flavor. They bring you a new taste and a new breakfast delight.

### Post Toasties

his feet to watch Joe Christians flash was announced that Christians had overed his qualifying lap at the rate

utte trial in 1.02 4-5, no machine cubic inches displacement ever personal chautheur for his King, ran-his machine about thirty miles be-fore taking the trial lab. Then the big English flyer simply whistled as it ture around the track. On the stretches it shot along at the rate of two miles a minute. Christians had hardly finished his

track in another Sunbeam machine. Like his running mate, Chevrolet tuned up before taking his qualifying test. The veteran, after assuring himself that everything was right, signalled Starter Wagner and flew around for his trial. To everybody's astonishment Chevrolet's time was slightly better than Christians's. The unexpected speed shown by the two Sunbeams was the feature of the qualifying test. These English flyers, with their rumored aeroplane engines, come to this country with the reputation of being the fastest machines on the other side of the Atlantic. The record speed of the Sunbeams indicates a shattering of all existing marks for the Astor Cup race.

PLAIN AS DAY.
